ATTENTION MEMBERS

There is opportunity for up to 20 of our members to take the Pesticide Applicators Course.

The successful completion of this course will allow members to spray invasive plants on crown land (grazing tenures), and the names of those members completing the course will be placed on a qualified applicator list.

The BC South Peace River Stockmen's Assn and the BC Horn Levy Fund are partnering to hold up to 2 courses at the Northern Lights College. The first course was held April 29, 30 and May 1-2011. **The second is proposed for January 13, 14, 15-2012.**

The cost to the members will be reduced thanks to approval of funding from the Horn Levy Fund. Members will be required to deposit the full cost of the course (\$430.00) with the BC South Peace River Stockmen's Assn 2 weeks prior to course start date. \$100.00 is the cost to member and \$330.00 will be reimbursed upon completion of the course.

The Northern Lights College refund protocol will be followed for those submitting fees who cannot attend. Refunds are made up to one week from the course date, providing there enough participants to meet the basic instructor costs. Refund application must be in writing.

All spots are on a **first come, first serve basis**. This letter with information below will be considered registration and date of receipt will be recorded. Member will be informed if they have been placed on a waiting list.
